SAMPLE DOCUMENT — NOT A BINDING POLICY

This text exists only for testing KXD OS staff document acknowledgment flows in development.

Employer (for testing labels only): Kreate by Design LLC — confirm exact registered legal name before any production use.

Employer representative (for testing labels only): Matt Lunger — official title not assumed.

Purpose

This sample describes how teammates should handle internal studio information during testing. It is not an employment agreement, NDA, intellectual property assignment, or information security policy.

Acknowledgment (test)

By acknowledging in KXD OS, you confirm you read this sample for testing purposes only.

Effective

This sample has no legal effect. Replace with counsel-approved policy text before production assignment.
